

NIC Release Notes

NIC Release Version 1.9.1 is a minor release with some new functionality.

NICdistributor

NICagent

What's new in Version 1.9.1

♦ NIC Distributor & Agent App:

♦ Term Conversion Filters:

In this release we have introduced two new filters on the policy search results page, 'EFFECTIVE DATE' and 'INSURED BIRTH DATE' to help both Distributors and Agents to identify Term Conversion opportunities.

♦ Bug Fixes

- ♦ Minor bug fixes in the NIC Distributor and NIC Agent Apps.
