

# NIC Release Notes

**NIC**distributor

**NIC**agent

This release includes updates for the Distributor and Agent Apps, including:

- ◆ User Verification v 2:
  - ◆ changes to Change Password permissioning on User Settings page
  - ◆ changes to Hide Primary E-mail section
- ◆ Login tracking has been added to correct previously deployed one
- ◆ Title case conversion of a user's name within a contact card on Profile page has been removed for the consistency
- ◆ Team Carousel issues
- ◆ Other minor UI changes
