

The logo for NIC, consisting of the letters 'NIC' in a bold, white, sans-serif font. The background of the entire page is a dark blue gradient with a network of white hexagons and lines, and a wavy, multi-colored (blue, orange, yellow) graphic at the bottom.

NIC for Insurance Wholesalers & Sales Managers

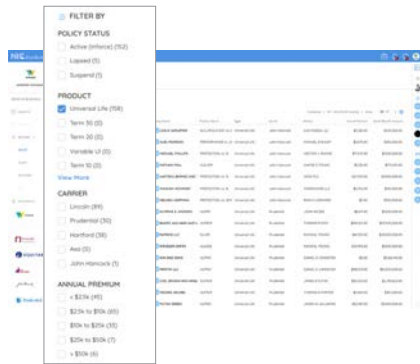

**Generating new sales
opportunities from your in force
book of business**

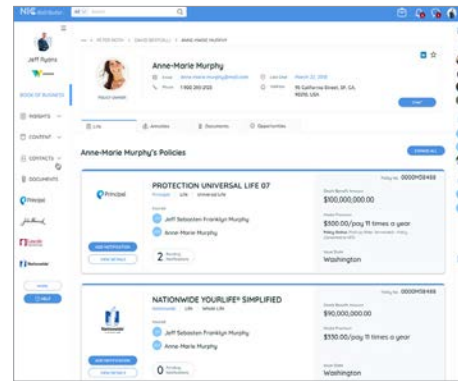

provides you with a single, multi-Carrier view of your existing in force book of business

NIC provides you with easy access to your in force book of business and the ability to sort and segment your book by multiple attributes including carrier, product type, face amounts and more.

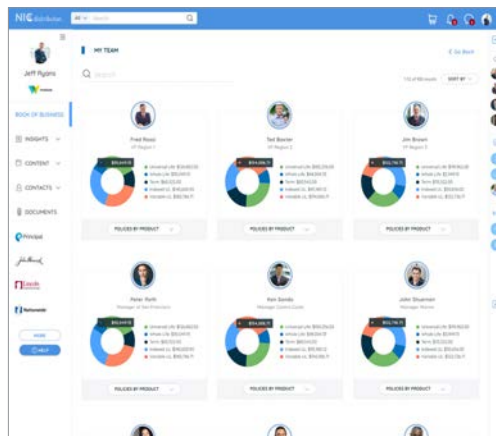

Policy Owner profiles and policy details make it easy to identify sales and service opportunities.

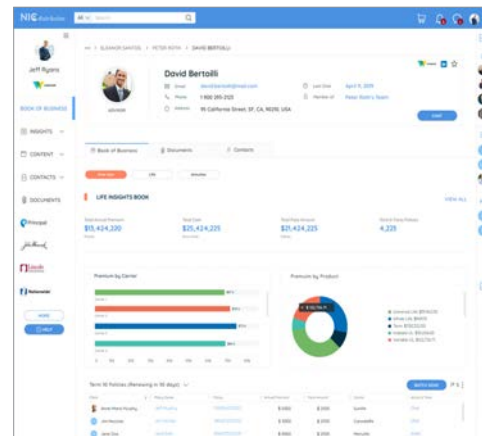

NIC provides you with a single application to access all of your Partners and Agents and their book of business

NIC provides you with access to all firms, offices, and Agents in your downline.

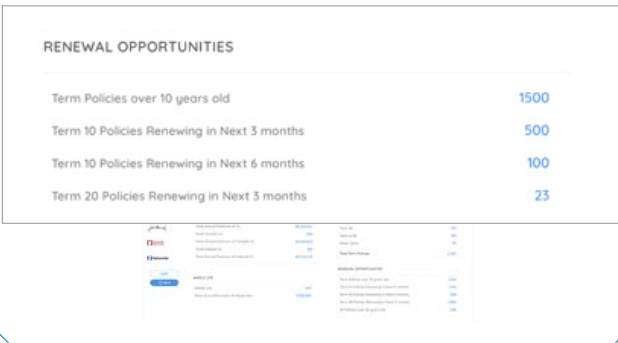

NIC creates a consolidated book of business for each firm, office and Agent in your downline.

NIC enables you to identify sales opportunities within your existing book of business and to share those opportunities with your Agents

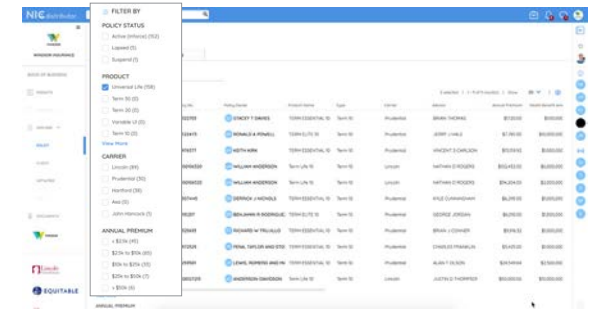

1 DATA INSIGHTS

NIC analyzes your book of business to identify policy service needs and new sales opportunities.

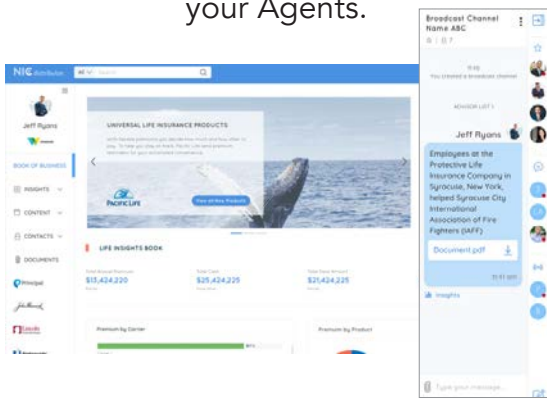

2 SEGMENT YOUR BOOK OF BUSINESS

NIC's data filters enable you to segment your book using multiple attributes including Carrier, product type, Policy Owner age, policy effective date and more.

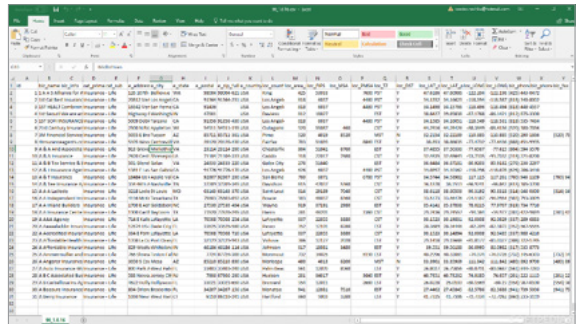

3 SHARE OPPORTUNITIES WITH YOUR AGENTS

NIC enables you to share opportunities with your Agents.

4 DATA EXTRACTS

NIC enables you to extract your data into an easy to use format.
